

# Annual Report on Corporate Social Responsibility Activities

**1) A brief outline of the Company's CSR policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR Policy and Projects or Programmes.**

NFL's CSR Policy is aligned with its vision to enhance value creation in the society and in the community in which it operates, through its products, services, conduct & initiatives, so as to promote sustained growth for the society and community, in fulfillment of its role as a Socially Responsible Corporate, with concern for ecology.

Towards this commitment, the company shall:

- a) Increase efficiency by optimum utilization of resources and technology.
- b) Promote sustainable farming practices to boost crop productivity in rural India through its soil testing facilities and other advisory services.
- c) Continue to take up wide range of welfare activities mainly focusing on economically, socially and environmentally sustainable development of underdeveloped villages.
- d) Work towards improving the quality of life by making the communities self-reliant in areas within which it operates.
- e) Build lasting social capital through interventions in the infrastructure, healthcare, education, vocational domains and other social welfare initiatives for the community residing in the vicinity of its plants and other places in India.
- f) Ensure welfare, growth and safety of all people associated with the Company.
- g) Build a sustainable enterprise that effectively balances financial strengths with social and environmental responsibilities.
- h) Undertake activities contributing towards improving the quality of life of underdeveloped sections of society at large.
- i) Facilitate development by maintaining a healthy relation between People, Planet and Profit.
