

International Women's Day celebrated at NFL

NFL's women employees alongwith members of Lotus Ladies Welfare club celebrated International Women's Day at Corporate Office, Noida

Noida, 8th March, 2019:

Recognising contribution of women, International Women's Day was celebrated all across the company at National Fertilizers Limited.

Inaugurating the programme at Corporate Office, Sh. Manoj Mishra said that the company has gender neutral policy and it encourages women to join in traditional and non-traditional disciplines such as engineering, procurement and marketing as well. He also said that with such opportunities at workplace, women should also try to come out of their comfort zone if they want to rise in their career.

The day was filled with some interactive activities conducted by external faculty, games, skit and mentoring by senior women officers. The programme was further joined by Lotus Ladies Welfare Club members. Mrs Prarthana Mishra, President of the club, graced the occasion as keynote speaker. She further said that empowered women should own responsibility of upliftment of underprivileged women.
