

**Secretary (Fertilizers) visits NFL Nangal Unit**

**Shri Manoj Mishra, C&MD, NFL showing Urea production to Shri Chhabilendra Roul, Secretary (Fertilizers) during his visit at company's Nangal Unit on 11<sup>th</sup> March, 2019.**

Noida, 11<sup>th</sup> March 2019

Shri Chhabilendra Roul, Secretary (Fertilizers) today paid a visit to National Fertilizers Limited's Nangal Unit. Shri Roul was received by Shri Manoj Mishra, C&MD on arrival at the unit.

Shri Roul took a round of Nangal plant and observed the urea manufacturing process. He also checked the quality of urea prills on conveyer belt.

Shri Roul also visited the site of Energy Saving Project of the unit and observed its progress of the project.

Thereafter, Shri Manoj Mishra showed Shri Roul the R & D Agri Farm of the unit which also houses a Micro Soil Testing laboratory. This 16 acre farm exclusively produces best quality foundation seeds from breeder seeds by ensuring best isolation (avoiding any varietal impurities). Shri Raul also met senior officers of the unit during the visit.
